

CIN: U80301MH2012NPL237727

Date: 20th April 2023

Angel Xpress Foundation (AXF) was started in 2012 as a platform for concerned citizens willing to tutor and mentor first-generation learners from slums in their neighborhoods. As of August 2018, it is a 12 A and 80 G accredited Section 8 NGO where 2500 school goers from slums get 200+ hours of lessons in English, Math and Values, led by over 1500 plus volunteers at free learning centers in across 24 locations in Mumbai.

AXF provides an opportunity to students from privileged backgrounds to become "buddies" of their less privileged peers. The aim is to create a two way learning and sensitization experience for both.

We are happy to confirm that Satyam Kale has volunteered for our AXF Nasik Centre in teaching. He has completed 40 hours of teaching Math to our students.

We appreciate his contribution made towards the organization.

Thanking you,

For ANGEL XPRESS FOUNDATION
